Reasonable Adjustments for Disabled Pupils - Equality and ...

Many reasonable adjustments are inexpensive and will often involve a change in practice rather than the provision of expensive pieces of equipment or a dditional staff. A

school's duty to make reasonable adjustments is an anticipatory one owed to disabled pupils generally, and therefore schools need to think in advance about what

Five Year Forward View - NHS England

to change, arguing for a more engaged relationship with patients, carers and citizens so that we can promote wellbeing and prevent ill-health. It represents the shared view of the NHS' national leadership, and reflects an emerging consensus patient groups, clinicians, local amongst communities and frontline NHS leaders.

A critical moment: NHS staffing trends, retention and attrition

the number of applications and acceptances for pre-registration nursing degrees in England fell. Our conclusion is that the change in

funding arrangements in England, combined with a dip in the population of 18-year-olds, has resulted in a fall in the number of nursing students, rather than the expected rise. This problem
