It's Like This, Cat Emily Neville
2017-02-22 "Superb. The best junior novel I've ever read about big-city life." – The New York Times. After another fight with Pop, 14-year-old Dave storms out of their apartment and nearly gets hit by a car. Kate, the local cat lady, comes to the rescue, and Dave returns home with an ally: Cat, the stray tom that becomes

Dave's confidante and his key to new friendships and experiences. Cat inadvertently leads Dave to Tom, a troubled 19-year-old who needs help, and Mary, a shy girl who opens Dave's eyes and ears to music and theater. Even the Cat-related confrontations with Pop take on a new spirit, with less shouting and more understanding. It's Like This, Cat offers a vivid tour of New York City in the 1960s. From the genteel environs of Gramercy Park to a bohemian corner of Coney Island, the atmospheric journey is punctuated by stickball games, pastrami sandwiches, and a ride on the Staten Island Ferry. Recounted with humor, a remarkably realistic teenage voice, and Emil Weiss's pitch-perfect illustrations, this 1964 Newbery Award-winning tale recaptures the excitement and

Keeping the Light in Your Eyes: A Guide to Helping Teachers Discover, Remember, Relive, and Rediscover the Joy of Teaching Beth Hurst 2018-03-29

The authors of this inspirational new book were on a mission. While much has been written about teacher burnout and the day-to-day problems teachers face, little has been written about how teachers who deal with these problems overcome them, and continue to enter the classroom each morning with enthusiasm for their calling. To discover such teachers, the authors interviewed over 70 teachers in communities across the country to find teachers

who, in a profession characterized by pressure, stress, and little reward, still find teaching an enjoyable, fulfilling career. The book includes over 150 teacher narratives of their real-life classroom experiences. The narratives provide unique insights into creating a teaching mission, setting up a community of learners, discovering the rewards of diversity, balancing personal and professional time, turning mistakes into excellence, using laughter to create rapport with students, and using discipline to create an atmosphere of trust and cooperation in the classroom. From these inspirational stories emerges a vision of the joys and rewards of working with children and a portrait of the teachers who have made a difference in the lives of their students and a contribution

to their community. The quotes, stories, and advice written in the teachers' own words are interwoven with practical suggestions for ideas to make the classroom an inspirational environment for students and teachers alike.

Imagine Childhood Sarah Olmsted 2012-10-16 For children, potential is limitless, curiosity is an electrical

current, and every moment is open to the possibility of the unexpected. Day-to-day life is filled with adventure. Road blocks are invitations to try new routes. And the world is vast and expansive. This book is a celebration of childhood through the crafts and activities that invite wonder and play. The twenty-five projects and activities in this book are meant to speak to the way children engage with the world. These projects are not about what is produced in the end (although that part is fun too) but rather they are stepping-off points—activities that spark curiosity, an adventure, or an investigation. They're about the process of getting there. They're about the conversations that happen while making things together. They're about getting to know the world inch

by inch. They're about exploring imaginary universes and running through real forests. They're about living in childhood . . . regardless of your actual age. They're about being a kid.

This Badger Bio shares the story of author Sterling North – his adventures and misadventures as a young boy growing up in Edgerton, Wisconsin. Young readers will learn how North's early experience in Wisconsin influenced him in writing some of his best loved children's books – such as *Rascal* and *So Dear To My Heart*. The story gives readers a glimpse of early 20th century customs and lifestyles in the rural Midwest. It also includes global issues of the time, including World War I and the Spanish flu pandemic, which greatly

affected Sterling's boyhood. As examples, his admired older brother Hershel served overseas in WWI as Sterling was growing up, bringing world events to the North family's doorstep. His mother Gladys died when Sterling was only 7 years old because of the lack of medical advances in the early 1900s. And, as a young man, Sterling was hit by polio, a common epidemic scourge that left many children with paralysis. Readers will learn of Sterling North's successes, not only as a beloved author of children's books, but as a columnist for the *Chicago Daily News*, an editor of *North Star* children's history books, and a well-respected critic of other children's literature.

It's the summer before middle school and eleven-year-old Bug's best friend Moira has decided the two of them

need to use the next few months to prepare. For Moira, this means figuring out the right clothes to wear, learning how to put on makeup, and deciding which boys are cuter in their yearbook photos than in real life. But none of this is all that appealing to Bug, who doesn't particularly want to spend more time trying to understand how to be a girl. Besides, there's something more important to worry about: A ghost is haunting Bug's eerie old house in

rural Vermont...and maybe haunting Bug in particular. As Bug begins to untangle the mystery of who this ghost is and what they're trying to say, an altogether different truth comes to light--Bug is transgender. *Rez Dogs* Joseph Bruchac 2021 "Twelve-year-old Malian lives with her grandparents on a Wabanaki reservation during the COVID-19 pandemic"--
