**Exposing the Fallacies of the Pre-Tribulation Rapture** Billy Broadwater 2014-06-18 The Pretribulation Rapture theory has had a foothold on many Christians in America for over a hundred years. This teaching is not allowed to be challenged in many Christian circles. Exposing the Fallacies of the Pretribulation Rapture takes the building blocks of this theory and dismantles them one by one in a serious, thought-provoking analogy of this doctrine. - Is the seven year tribulation really a biblical term? - Is the church literally raptured in Revelation chapter 4? - Are there signs that precede the return of Christ? - Is the rapture really an invisible event? - Are Christians exempt from tribulation? - Where did the true roots of the pretribulation rapture come from? - What does the day of the Lord have to do with the rapture? These questions and many more are answered in Exposing the Fallacies of the Pre-Tribulation Rapture. Not only is there a thorough examination of the rapture, but also a detailed account is given of the numerous discrepancies among leading pretribulation teachers over Bible passages on the second coming. Billy Broadwater's in-depth Bible based research for over twenty-years brings home the truth about the rapture.

**God's Feminist Movement** Amber Picota 2016-07-19 Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the worldly being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in Christ!

*Jesus Is Coming* Soan Guillermo Maldonado 2020-09-29 Shakings, Signs, and the Return of Christ You are mentioned in biblical prophecy. You may not be mentioned by name, but you are included there. End-times prophecies speak of faithful followers of Jesus-called the “remnant”-who are ready for the last days and His return, but they also speak of those who are unprepared or fall away before His appearing. Which prophecy will you fulfill? Jesus Is Coming Soon: Discern the End-Time Signs and Prepare for His Return will help you be certain you are part of God’s remnant. The signs of the end of the age and Jesus’s appearing are evident in the physical and spiritual worlds. But most people, including Christians, have not recognized them. What signs has God given to announce the culmination of His purposes for the world? How can we discern them? How can we prepare? This book will unfold: The reason for the unprecedented natural and spiritual shakings in our world What the signs tell us, including unusual signs such as blood moons How God works according to seasons, eras, and the fullness of time How Jewish feasts point to the ages of man, accurately showing us God’s time clock Which imminent biblical signs and promises have yet to be fulfilled The judgments God is bringing to the earth God has given prophecies concerning Israel, the church, and the world. And His Spirit is disclosing His last-days purposes right now. We need to know how to receive the vital revelation and prophetic knowledge He wants to share with His people. When we have this foreknowledge, we can understand the times and prepare for His final plans for the earth. God intends the church to be a community of hope, revival, and supernatural power in the midst of dark times. There is a spirit of confusion in the world today. People must turn to God for the answers only He can give, and the church needs to be ready to provide those answers. In these end times, you do not need to be fearful, discouraged, or distracted. Instead, you can know your true position in God before Christ’s appearing. You can be joyfully prepared, watching and waiting in expectation, with your spiritual eyes open. Live in God’s perfect will for your life and participate in His supernatural, last-days purposes!

*Signs and Symbols of the Second Coming* Sean Castel 2014-05-25 MILLIONS OF CHRISTIANS ALL OVER THE WORLD ARE AWAITING HIS ARRIVAL. . . WILL HE RETURN IN OUR LIFETIME? .

There is a general consensus among a large group of UFO believers that we should await some form of open, mass landing seen by the entire world. What if this expectation is not fulfilled until the Battle of Armageddon? Perhaps we are mistaken in looking for a "morally indifferent" landing on the White House lawn and should instead anticipate a vengeful mass landing in which the often seen flying saucers return to destroy the armies gathered by the Antichrist and establish the millennial reign of Jesus. . Theories about the Second Coming and how it will manifest itself are varied and many-faceted. Sean Casteel's "Signs and Symbols of the Second Coming" makes the job of sorting between competing beliefs a little easier by providing answers from a range of theological and paranormal experts. For instance, what does the Second Coming mean to ordained minister Dr. Barry Downing? Downing's impressive academic background in both science and religion, combined with a longtime study of the UFO phenomenon, makes his opinion as "expert" as they come. . Biblical prophecy expert Gary Stearman discusses how the long awaited Rapture will be timed to events in Israel and explains how UFO waves in that embattled stretch of Earth have always been an expression of God's unfolding plan in the modern world. One must learn to live with the idea that the Day of the Lord will arrive as a "thief in the night," catching the entire world off-guard and entering our reality unannounced. . There are also chapters offering a less apocalyptic view of the Second Coming. In interviews with religious and UFO scholar Dr. Brenda Denzler and prophecy researcher G.C. Schellhorn, Christ's return is portrayed as a quieter transformation of humankind's collective consciousness, a kind of moral rebirth taking place on levels too subtle to be readily apparent to the unenlightened observer. What if Christ and the other prophets can achieve their merciful ends without a "blood and guts" confrontation with the wickedness of the world? . The legendary husband and wife team of Brad and Sherry Steiger are interviewed for separate chapters about their beliefs on the Second Coming. Brad recalls his youthful days in Bible class and explains how his views are now less extreme, less black and white regarding what we mean when we discuss things like the fearful aspects of the Book of Revelation. Meanwhile, Sherry also feels her childhood religious beliefs and even time spent in a Lutheran seminary as a young woman did not prepare her for the truths she would later discover. What should be emphasized, she believes, is the commonality between all world faiths and the peaceful, good intentions of the prophets who introduced them to us. Yet she concedes she is troubled by portions of Book of Revelation and believes the Mark of the Beast could easily become a reality. Read her chapter in "Signs and Symbols of the Second Coming" to find out why. . Did the late Dr. Frank Stranges correctly identify the Antichrist? He is among the many who have tried to "name names" in that regard, but in this exclusive interview he explains his reasoning for doing so in some detail, while at the same time decrying the "fear mongers" who use the Second Coming to terrify rather than to inspire. Will the UFOs eventually spread the wisdom and grace of Christianity to the entire universe after carrying out the Second Coming on Earth? . Finally, the author himself touches on the possible use of holograms to stage a false Second Coming and offers a checklist of signs to watch for in the countdown to the Day of the Lord. We stand on the threshold of Doom and Salvation, and the mysterious, ubiquitous UFOs are a crucial element of both.

*And Then the End Will Come* Douglas Cobb 2021-04-09 Did you know that the global church is only a few years away from fulfilling Jesus' command to "make disciples of every nation?" And that Jesus explicitly tied his return to the completion of that task?In And Then the End Will Come, Douglas Cobb, founder of the Finishing Fund, provides a front-line account of the effort to finish Jesus' Great Commission in our lifetimes. He also explores nine other clues that Jesus is coming soon, includingthe approaching 2000-year anniversary of the resurrection?the regathering of Israel?and the prophecies of Daniel Chapter 12.He makes the case that the return of Christ is at hand-perhaps in the next year or two, perhaps a little later, but assuredly very soon. And he offers practical instruction about what it means to "live holy and godly lives" as we look for the coming of our Lord and King.If you're discouraged about the craziness you see in the world today, And Then the End Will Come will offer you hope for better things soon to come-things so great that the Bible says no one can imagine how awesome they will be.

**Salvation Is from the Jews** Roy Schoeman 2019-04-15 The book traces the role of Judaism and the Jewish people in God’s plan for the salvation of mankind, from Abraham through the Second Coming, as revealed by the Catholic faith and by a thoughtful examination of history. It will give Christians a deeper understanding of Judaism, both as a religion in itself and as a central component of Christian salvation. To Jews it reveals the incomprehensible importance, nobility and glory that Judaism most truly has. It examines the unique and central role Judaism plays in the destiny of the world. It documents that throughout history attacks on Jews and Judaism have been rooted not in Christianity, but in the most anti-Christian of forces. Areas addressed include: the Messianic prophecies in Jewish scripture; the anti-Christian roots of Nazi anti-Semitism; the links between Nazism and Arab anti-Semitism; the theological insights of major Jewish converts; and the role of the Jews in the Second Coming. "Perplexed by controversies new and old about the destiny of the Jewish people? Read this book by a Jew who became a Catholic for a well-written, provocative, ground-breaking account. Some of the answers most have never heard before." Ronda Chervin, Ph.D., Hebrew-Catholic

How are we to recognize the specific signs of his coming? What differentiates false messiahs, wars and rumors of war, famines, pestilence, persecution and earthquakesthe signs Jesus gavefrom those same afflictions that have plagued man since the beginning? What is it that makes the period of history immediately prior to Jesus return identifiably different? Keeping Watch unveils the answer, identifying the specific signs of Jesus return and why these signs are unique to a particular event at a particular moment in history an event already beginning to unfold! Keeping Watch clarifies the biblical precepts by which God judges people and nations. The application of these precepts to the book of Revelation reveals that the seals, the first set of seven so-called judgments, are not actually judgments at all, but rather a series of events fulfilling the signs of Jesus return. When considering the signs and their fulfillments together, the story of a world-shaking conflict unfoldsa conflict that brings nations to their knees while fulfilling every sign Jesus gave his disciples! **Dispensational Truth, Or God's Plan and Purpose in the Ages** Clarence Larkin 2010-07-01 The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century: his works are the source of many of the "prophecies" and "truths" end-times Christians hold to even today. This stupendous 1918 book-perhaps his greatest work-is the result of more than 30 years' worth of, the author informs us, "careful and patient study of the Prophetic Scriptures."Fully illustrated by charts describing God's plan for humanity, Dispensational Truth covers: Pre-Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world's seven great crises prophetic chronology the threefold nature of man the Book of Revelation five fingers pointing to Christ the False Prophet and much more.American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

**Revelation** 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. [Signs of Christ's Return](#) John MacArthur 1987
